A special meeting of the Tenleytown Library Association was held Firday evening last. The question of incorporating the association was presented and decided in the affirmative. It was also decided that steps be taken to secure concerted action with the five other clubs existing in the village looking to the raising of money to build a hall for the use of all. The design is to include a gymnasium in the building. Mr. Louis P. Shoemaker addressed the association, and at the conclusion of the meeting he was given a rising vote of

An effort will be made to locate his parents.

FAT TRAVELERS.

LIVE ON GRAPE-NUTS. When one looks at commercial travelers, round

any of them have to be particular about the selection of food, but many of them do nevertheless and their care in this respect is one cause of their healthy appearance. Frank W. Clarke, who travels for Arbuckle

Bros., says that he began using Grape-Nuts Food when he found it on a hotel menu, and ever sine that time has eaten Grape-Nuts from one to three times a day, carrying a package in his grip, so he could have it whenever the hotels did not serve it. He says: "About eight years ago dyspepsia got a hold of me and gradually weakened my stomach so that it would not take all kinds of food. I had to drop a number of articles, which is a hard thing for a traveling man to do. Then the question was "what could I get to eat that would not distress When I found Grape-Nuts Food it solved the problem, and since taking on this food my

stomach has gradually gotten well, so that I feel "The proof of the pudding is in the eating." Grape-Nuts is predigested in its manufacture, and can be easily assimilated by the weakest kind of a stomach, while at the same time it contains the

CIVIL SERVICE COMMISSIONER EX-

MARK S. BREWER DEAD

Remains to Be Taken to Michigan for Interment-His Active Public

Mark S. Brewer, a member of the civil service commission, died at his home, 1619 S street, at 10:45 o'clock last night. Though his health had not been good for two years, his condition was not believed to be serious till ten days ago. He appeared to improve, and on Saturday, March 9, he went to his office in the building occupied by the commission, remaining there for some time and chatting pleasantly with friends and official associates. After leaving the office and returning to his home his physician directed him to retire. He grew steadily worse and did not again leave his chamber. Hope for his recovery was abandoned yesterday afternoon. Death was due to angina pectoris, a nervous dis-

ease of the heart, his constitution having been weakened by kidney trouble. Mr. Brewer is survived by his wife. A simple funeral service will be held at the house by Rev. Dr. Ratcliffe, at 4:30 o'clock this afternoon. The remains will be sent over the Pennsylvania railroad at 10 o'clock tomorrow morning to Pontiac, Mich., the old home of Mr. Brewer. Religious service will be held there on Friday and interment will then be made. Mrs. Brewer will go to Pontiac and will be accompanied by her sister, Mrs. Fletcher of Detroit, who has been in Washington since Mr. Brewer's illness came to be regarded as serious. His Active Career.

Mark Spencer Brewer was born in Addison township, Oakland county, Mich., October 22, 1837. During his boyhood he worked on his father's farm. He embraced such educational facilities as were afforded by the schools of the neighborhood, and at the age of nineteen went to Pontiac and undertook the study of law, reading with ex-Governor Moses Wisner and M. E. Crofoot. This was in 1861. In 1864 he was admitted to the bar at Pontiac. He was elected circuit court commissioner for Oakland county in 1866, remaining in office till 1869. Between these dates he also served a term

as city attorney for Pontiac. He was elected to the state senate in 1872 and served in that body for two terms. He became active in politics and was nomifield as United States consul general at Berlin. He continued at this post till June 5, 1885. He resumed the practice of law at Pontiac, and in 1887 was elected from his old district to the Fiftieth Congress. He was re-elected to the Fifty-first Congress and at its close declined a renomination.

His Congressional Service. During his congressional service Mr. Brewer was a member of the House committees on appropriations, the District of Columbia, militia and immigration and naturalization. As a member of the District committee he worked for the construction of the bridge over Rock creek 5 across which the Chevy Chase cars run. During the Fifty-first Congress Mr. Brew-4 er and President McKinley became strong personal friends, it being the Fifty-first Congress which enacted the McKinley

Mr. Brewer was a delegate to the St. Louis convention in 1896, which nominated Mr. McKinley; and was appointed a mem-

Mr. Brewer was distinguished at the civil service commission by close applica-tion to the duties of the office. It is said that he was one of the hardest workers there. He was usually at his desk by 8:30 or 8:45, and he rarely left the rooms of the commission before 4:30 in the after-noon. Being a well-trained lawyer, his time was given mainly to the legal questions coming before the commission.

Respect of His Late Associates.

There was given out at the office of the civil service commission this afternoon the following list of honorary pallbearers who will serve between the house and the railroad station: John R. Procter, John T. Doyle, George R. Wales, George W. Leadley, William R. Bushby, Charles R. Snyder, William S. Wasburn and A. R. Serven All the honorary pallbearers are officers of the commission. The office of the commission will be closed today at 3:30 that employes may at-

tend the funeral service at 4:30. As a mark of respect to the memory of the dead commissioner the office will be closed tomorrow. A committee of the employes of the commission was chosen today to secure a suitable floral design to accompany the body of Mr. Brewer to Michigan.

AFFAIRS IN GEORGETOWN. Permit Issued to Telephone Company -General Items.

A permit has been issued the Chesapeake and Potomac Telephone Company to string six wires in the county north of Georgetown coming from Washington, along the Woodley lane road, through Cleyeland Park and out Wisconsin avenue to the District line, special wires being connected with some of the residences in the county. Two of the wires extend outside of the District line. The provision of the permit is that the wires shall be strung over only the public highway, giving no permission

to cross private property. Mary Smith, colored, aged twenty-six, was found sick on 30th near M street yesterday afternoon shortly before 3 o'clock. The patrol wagon conveyed her to the Georgetown University Hospital, and later the patient was removed in the police ampital for treatment.

Charles Glover of 3336 N street leaves today for Sewanee, Tenn., to attend the open-ing of his school term. Charles Bremmerman, a son of Mr. Thos. Bremmerman, has returned from the Philippine Islands, where he went as a member of the 33d United States Volunteer In-

fantry.
